A Message From Our Executive Director

Dear Friends of the Durham Center for Senior Life,

March is a month of transition. As winter begins to fade and signs of spring start to appear, we are reminded that growth, renewal, and fresh beginnings are always possible at any stage of life.

At the *Durham Center for Senior Life*, March brings many opportunities to connect, learn, and celebrate together. From engaging wellness programs and creative arts classes to educational workshops and social gatherings, there is something for everyone to enjoy. We also look forward to celebrating Women's History Month, recognizing the remarkable contributions of women in our community and beyond.

As the days grow longer, I encourage you to take part in our fitness classes, outdoor walks (weather permitting), and nutrition programs that help us stay active and energized. Be sure to check our monthly calendar for special events, volunteer opportunities, and community partnerships happening throughout the month.

Most importantly, March is a time to strengthen connections. Whether you are joining us for the first time or have been part of our DCSL family for years, you belong here. Your presence, wisdom, and spirit make our community vibrant and strong.

Thank you for being part of the Durham Center for Senior Life. We look forward to seeing you this month and sharing in all that March has to offer.

With appreciation,

Seanyea Rains
Executive Director
